

K. SOUNDERYARAJAN

Software Engineer | Full Stack Python Developer

Tirupathur, Tamil Nadu | sounderblue47@gmail.com | +91-9626785464 | linkedin.com/in/sounderyarajan-k | github.com/Sounder47

PROFESSIONAL SUMMARY

ECE graduate with hands-on experience in Python, Flask, Django, SQL, REST APIs, and Full Stack Web Development. Strong understanding of Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), and Artificial Intelligence & Machine Learning fundamentals. Eager to begin a career as a Software Engineer or Python Developer, contributing to the development of scalable, efficient, and user-focused software solutions.

TECHNICAL SKILLS

Languages: Python (Proficient), C Programming (Intermediate), SQL, HTML5, CSS3, JavaScript (Intermediate)

Frameworks & Libraries: Flask, Django

Databases: Oracle SQL, SQLite

Tools & Platforms: Git, GitHub, VS Code

Concepts: Data Structures & Algorithm (DSA), AI/ML Fundamentals, Machine Learning Fundamentals, MVC Architecture, OOP, CRUD Operations, Responsive Design.

PROJECTS

Smart Notice Board System - Full Stack Python Web Application Jan 2026 – Apr 2026

Tech Stack: Python, Flask, SQLite, Jinja2, HTML5, CSS3, Bootstrap

- Engineered a multi-role web application enabling admins to post, edit, and delete notices in real-time, replacing manual board processes and reducing content update time by ~70%.
- Implemented JWT-based session management and role-based access control (Admin/Viewer), ensuring unauthorized users were blocked from write operations — zero privilege escalation.

Personalized AI Voice Assistant Apr 2024 – Aug 2024

Tech Stack: Python, Speech Recognition, pyttsx3, Google Search API

- Developed a Python-based voice assistant integrating Speech Recognition and Google Search API to process and respond to natural language queries with ~90% recognition accuracy.
- Reduced manual search time by enabling hands-free query resolution, completing 10+ types of tasks via voice commands.

EDUCATION

B.E – Electronics and Communication Engineering 2022 – 2026

Bharathidasan Engineering College, Anna University, Nattampalli, Tamil Nadu | **CGPA: 8.25 / 10**

ACHIEVEMENTS & EXTRACURRICULARS

- 1st Prize — Code Debugging, PECT SYMP FEST-25: Diagnosed and resolved 5 buggy code under timed conditions, outperforming 30+ teams.
- 1st Prize — Technical Quiz, National Level Symposium: Demonstrated depth in core CS/ECE concepts across hardware and software domains.

CERTIFICATIONS

Full Stack Python Development — 6 Months Course Completion

QSpiders Training Institute | Chennai, Tamil Nadu

- Completed an intensive 6-month Full Stack Python Development program covering Python, Django, SQL, HTML/CSS, REST APIs, and web application deployment.
